## THE SPIRITUAL ASSEMBLY OF THE BAHÁ'ÍS OF PORT MOODY

June 20, 2020 / 17 Light (Núr) 177 BE

To the Bahá'í Community of Port Moody

***“Everything you have done and are now doing is preparing the global Bahá'í community for the next stage in the unfoldment of the Divine Plan.”***

(Universal House of Justice – Naw Ruz 177)

Dearly loved friends;

As you are aware, there are just ten months remaining to the end of this Five Year Plan. In its 9 May, 2020 message, the Universal House of Justice advise that: *“the months ahead will be consequential, for the endeavours of the Bahá'í community”*, which is followed with a sense of urgency for action in this *“final year, of the final Plan, in a series spanning the final quarter of the opening century of the Formative Age”*, when *“the foundation upon which will rest the next series of global undertakings”* will be sealed.

With the above guidance as our focus, we write to remind you of the Teaching Conference scheduled for next Sunday, June 29, 2020 and encourage your active participation. The Conference aims to bring the friends across our cluster together to study guidance, reflect on actions undertaken during the past cycle and plan for the remaining precious months to write an impeccable *“concluding act in a captivating drama whose end is yet unwritten”*, as called for by the Universal House of Justice. At this conference we will share thoughts on how, through meaningful conversations with neighbors, friends and coworkers, more souls can be invited to reflect on the current state of the world, to see possibilities for change, to recognize the spiritual forces available to us, and to develop commitment to contribute to the *“concluding act”*.

To ensure development of a team, activity and neighbourhood based program, you are encouraged to register as soon as possible using the following link:
